

Summer Learning Programs

Polk County Public Schools is offering an opportunity this summer for middle school and high school students to retake a course in which they have not yet been successful and still need to complete.

Our Secondary Summer Learning Program will be in operation from **June 6** through **June 30, 2022**. Students are required to attend on campus sessions.

The school days will be **Monday** through **Thursday, 8:00 AM – 1:00 PM**.

Please be advised that misconduct resulting in disciplinary action per the Student Code of Conduct may result in dismissal from summer school.

We do hope that you will consider registering your student for our Secondary Summer Course/Credit Recovery Program. It is a unique opportunity for your student to retake an unsuccessful course and move forward in their educational journey.

Registration forms can be accessed through your School Counselor in Guidance. Applications must be returned to the school no later than **May 27th**. Should you have any further questions, please contact your home school's guidance or main office.
